Message: I am a student at Miami Country Day School in Miami, Florida. Our school is superheading a national campaign called "Fly Your Flags Now". Our goal is to have every home and businedd in America flying a flag by October 11. For those living in condominiums or apartments, we hope they will post flags on their doors. We are asking your assistance simply by spreading the word to the people that work for you and with you. We are asking you to send emails to your co-workers and friends, or I can send you a flyer about the program for you to copy and share with your peers. Hopefully those you will contact will be able to spread the word, as well. You can obtain more information about our campaign by visiting our website: [www.miamicountryday.org](http://www.miamicountryday.org).

We just wanted to do our small part to support the victims, their families, and the United States of America. I sincerely appreciate any assistance you can givwe us.
